MOUHAMAD HAMDAN WEB DEVELOPER

Summary

Highly skilled web developer with a Bachelor of Science degree from Global University. Proficient in various programming languages including HTML, CSS, JavaScript, Java, PHP, and C#. knowledge in Laravel Framework. Strong problem solving abilities and effective communication skills in both English and Arabic. Seeking opportunities to contribute to challenging web development projects

Experience

4/6/2023 - 4/7/2023 Web Development

Sync Digital Solution , Jbeil

I gained hands-on experience in working with the Laravel framework, engaging in various exercises to practice and hone my skills. As a culmination of my internship, I was assigned a final project that encompassed everything I had learned during this period—an engaging and dynamic news website

Education

Global University, **Batrakiyeh - August 2023** Computer science bachelor degree

Certifications

- Cisco Computer organization
- Hackerx Certification
- Coursera Certified : Software Engineering Specialization

Projects

News Web _In laravel

I led the development of a News Web project using Laravel for the backend and a blend of front-end technologies for the interface, focusing on user interaction and design. Currently, interface testing is underway to ensure a polished user experience.

• Mobile Store App — In Flutter Flow

Developed a Mobile Store App using Flutter Flow for the front end, integrated with a SQL Server backend. Utilized .NET for API development, facilitating seamless communication between the user interface and server, showcasing strong proficiency in full-stack development.
